This 2-hour cruise includes a tour on both land and water. Wander the maze of stalls, haggle, pick up souvenirs, grab a tea from the Syrian Tamar Hindi Seller who offers refreshing drinks with flair. When you're feeling hungry, **Shebestan Palace** is unlike any place you've ever been, plus it's got incredible Iranian food. Before 8pm, wander to the Falconry Souk with Flacon shops or observe the falcons in the central sandpit. There's no alcohol but for an evening of shisha, stop by **Tajine**, a locals spot open 24/7.
